All-

I took the latest fact sheet we had prepared and submitted to HQ (from a budget hearing) and reformatted it to the requested format HQs wanted for the administrator's hearing (I tracked the changes so you can see exactly what I did). They are asking for this by noon today- can everyone please take a quick look and let me know if you are ok with this version, all content is the same except I removed costs. If you can take a look and get back to me by 10:30-11- that would be greatly appreciated and then I can run by the RA and get it to HQ.

Any questions let me know, thanks!
